

Magic You Can Do!

Which Box Has the Beans?

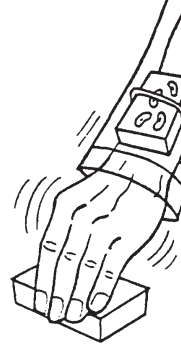

Effect:

Three small boxes are shown. You shake one of them and a rattling sound is heard. Now rearrange the boxes on the table and ask someone to shake the box with the beans. No one will be able to find it!

How it works!

The secret is that all three boxes are empty. On your wrist, under your sleeve, another box with dried beans, is fastened with a rubber band. With this hand, only, you shake a box to make a rattle sound. With the other hand you shake a box that makes no noise.
