

# Magic You Can Do!

## The Rising Ring

**Effect:**  
Hold a Magic Wand (a pencil will do) straight up. Place a finger ring on it and let it rest on the hand holding the wand. Say a magic word and the ring will rise up and down the wand, stopping and starting on your command!

**How it works!**  
Attach a length of black thread to the top of the wand, the other end is attached to your lowest shirt or coat button. Hold the wand close to you as you place the ring on it. To make the ring rise, push the wand away from you. To lower it, bring the wand closer to you.
